

Hey Sister (feat. Kat Edmonson)

Walter Martin

(spoken) I'd like to let my little sister share the microphone with me for a second. She's gonna help me sing a song called "Hey Sister".Hey, sister.

(spoken) Yeah?

Something in the way you look looks just like me.

(spoken) Well that kinda makes since, I mean I am your sister.
And something in the way you talk sounds just like Aunt Marie.

(spoken) Yeah, I could see that.

And grandma looks just like Pop.

(spoken) It's true, isn't it?

And mamma looks just like cousin Bob.

(laugh)

We should put 'em all together and call it a family. There's a tiny little bit of me in you
and a tiny little bit of you in me.

Your hair is messy and your eyes are blue

I guess we fell out of the same tree.

Oh, it's a family. Hey, brother.

(spoken) Uh huh?

You're pretty funny - you must have got that from me.

(spoken) I'm not sure if that's technically possible is it?

And you sing kinda funny - you must have got that from Granddaddy.

(spoken) What exactly do you mean by that?

And Uncle Jack's got mommy's laugh.

(spoken) Yeah, that's true.

And Uncle Jim's got that old mustache.
