Disease (Video)

Matchbox Twenty

Feels like you made a mistake
You made somebody's heart break
But now I have to let you go
I have to let you goYou left a stain
On every one of my good days
But I am stronger than you know
I have to let you goNo one's ever turned you over
No one's tried
To ever let you down,
Beautiful girl
Bless your heartI got a disease, deep inside me
Makes me feel uneasy baby
I can't live without you
Tell me what I am supposed to do about it
Keep your distance from it
Don't pay no attention to me
I got a diseaseFeels like you're making a mess
You're hell on wheels in a black dress
You drove me to the fire
And left me there to burnEvery little thing you do is tragic
All my life, oh was magic
Beautiful girl
I can't breatheI got a disease, deep inside me
Makes me feel uneasy baby
I can't live without you
Tell me what I am supposed to do about it
Keep your distance from it
Don't pay no attention to me
I got a disease
I think that I'm sick
But leave me be while my world is coming down on me
You taste like honey, honey
Tell me can I be your honey
Be, be strong
Keep telling myself it that won't take long till
I'm free of my diseaseYeah well free of my disease
Free of my diseaseI got a disease, deep inside me
Makes me feel uneasy baby
I can't live without you

Tell me what I am supposed to do about it
Keep your distance from it
Don't pay no attention to me
I got a diseaseI think that I'm sick
But leave me be while my world is coming down on me
You taste like honey, honey
Tell me can I be your honey
Be, be strong
Keep telling myself it that won't take long till
I'm free of my disease
Yeah well free of my disease
set me free of my disease
