

Queen of Hearts

Jason Derulo

Uh
YeahUh, there comes a time in every man's life
When he's gonna have to make a choice
Should he keep up with the player's life
Or listen to that inner voiceSayin' if you got a good one
You'd be a fool if you let it go
I admittin' the other days were fun
But I think it's time for me to growThere ain't no one in this entire world
I'd rather be with than you girlSo I'm throwin' out all my cards
'Cause I think I've finally foundÂ
The Queen of Hearts (Queen of Hearts)
Queen of Hearts (Queen of Hearts) whoa oh oh oh
I used to be the King of Clubs
But now those days are done
Ooh, 'cause I know you are (know you are)
The Queen of Hearts (Queen of Hearts)
Queen of Hearts (Queen of Hearts)Â
You're my Queen of HeartsWell I knew this day was gonna come
When I would have to shuffle my plans
Now I've got a pair of diamonds
So I put them in your ears and hands yeah
'Cause you are the real thing
There's no way that I could walk away
I'm givin' you the best of me
So baby you win the game?There ain't no one in this entire world (this entire world)
I'd rather be with than you girlSo I'm throwin' out all my cards
'Cause I think I've finally foundÂ
The Queen of Hearts (Queen of Hearts)
Queen of Hearts (Queen of Hearts) whoa oh oh oh
I used to be the King of Clubs
But now those days are done
Ooh, 'cause I know you are (know you are)
The Queen of Hearts (Queen of Hearts)
Queen of Hearts (Queen of Hearts)Â
You're my Queen of HeartsNoone before you came close to what you do,Â you know
That's the truth for sure (that's the truth for sure)
You changed my life now I can't see me without your love
So I'm betting it on usSo I'm throwin' out all my cards
'Cause I think I've finally foundÂ

The Queen of Hearts (Queen of Hearts)
Queen of Hearts (Queen of Hearts) whoa oh oh oh
I used to be the King of Clubs
But now those days are done
Ooh, 'cause I know you are (know you are)
The Queen of Hearts (Queen of Hearts)
Queen of Hearts (Queen of Hearts)Â
You're my Queen of Hearts
