I get all numb
When she sings "It's over"
Such a strange numb
And it brings my knees to the earth And God bless you all
For the song you saved us You're the same numb
When you sing "It's over"
Such a strange numb
It could bring back peace to the earth So God bless you all
For the song you saved us, oh
For the hearts you break every time you moan I get all numb
We're the same numb
And it brings our knees to the earth So God bless you all
For the song you saved us, oh
For the hearts you break every time you moan And God bless you all on the earth
