

24'S

Canton Jones

We Ride on 24's

You ain't never seen a church boy ridin wit the top down swervin everybody see me bend the curb and every
whip on 24's every crib got 50 doors dont get nervous payin tithe finally paid off

(we ride on 24's)

you ain't never seen a church boy ridin with his top down swervin everybody see me bend the curb and (we ride
on 24's) every whip on 24's every crib got 50 doors dont get nervous payin tithe finally paid off
we ride on 24's we let them people know every city and state we go can't keep that name on low roll deep and
switchin lanes roll wit me and they rep the name roll real dont play no games see the symbol on the chain rep
tinted and ridin high scream Jesus when we ridin by where you gunna be when you die ima be up in the sky we
ride on 24's dont have to sell no dro bust music to get that dough preach the gospel to the po

cadillac on 24's Maybach on 24's Bently Coup on 24's Chevy Coup on 24's

drive em then i givem away cause God said to give away but the more i give away i got more comin back to me
he'll give you plenty mo hit the will with plenty dough stacked up with plenty flows dont forget to thank the
Lord life with Christ (really nice) dont think twice (who'll deny?) persecuted you got foes when you ride on 24's

We ride on 24's(7x) im saved im paid

We ride on 24's(7x) im saved im paid

I got those tv screen fallin down its Mr. Del from the M-Town behind the limo tinted and im sittin sideways i
would brag on the rhyme but the christ pays for the kenwood boy you know i look good remote control got it
flickin like a Fleetwood shorty im so hood yes we do it real big I ride slow for my kin, folks, and lil kids they
say he so rich i say im so blessed dont slang yay but i stay dope boy fresh like floetry all you got to do is say yes
and you'll be ridin with the best and theres nothing less i like to boast in him ridin on them grown men i spit this
testement ain't gangsta but im heaven sent so ima take you to the south were we build hope and swing boes and
cajos on 24's

we ride on 24's(7x) im saved and paid

you aint never seen a church boy ridin with his top down swervin everybody see me bend the curb and every
crib got 50 doors dont get nervous payin tith finally paid off

sittin on 24's grippin watch out my paint be drippin hustlin souls on a mission so sit back and pay attention
King Kong in the trunk what you thought i be half steppin call my rims the peppermint in case you got bad
breath Pimp i sit on 24's rims growner then that kid Milliyan off in the bass so pay attention to the kick Cajo is
the manic thats why we sittin on the cream yah they call me milliyan but you can call me mr green

Let me get them dub 4's with them lamborghini doors (we ride on 24's) so i dont care what they hittin for
wessenger always reppin jesus to dem nonbelievers so im puttin heaven in ya speakers woofers and ya tweeters
when i spit the word i turn a magic trick in to a rhyme cause i make the devil dissappear every single time plus i
got those wheels tall like frankenstien im a laker fan so i like to call em kobe bryant

If you talk about me you talkin 24's but dont get it twisted yah its all bout the souls got 24'2 on my wrist bangin
and my chain hang i like to call em gucci man i keep it movin man and i aint even tryin ima beast transformed

into optimus prime i like to keep it real i like to flick the rip young boys a trip how am i on this deal
WEEE RIDE ON 24'SSSSSS
