You Are The One

Skyway Flyer

I had to let you know before I let you go
Something I must say before you walk away
You are the one, you are the one
You are, you are the one when all is said and done
For an eternity I've loved you silently
Hidden in my soul and now it's time you know
That you are the one, you are the one
You are, you are the one when all is said and done
You are the one, you are the one
You are, you are the one when all is said and done
