Slow Dance

Chris Rea

Well I screamed at Mama, what's that stuff going on
Yeah I screamed at Mama, Where did that feeling come from
She said - son I don't know what it is,
But I know that's where you belong
Mama looked at me, she smiled me a sunny day
Yeah Mama looked at me, took all my fears away
She said -son now I know for sure,
What you gonna do one day.It's a slow dance, dance of the rythym and blues
It's a slow dance, dance of the rythym and blues
Now I screamed at Mama, Mama tell me where did you go
Yeah I screamed for my Mama, Mama tells me what you come to know
I was born with this feeling, and it ain't going to let go.It's a slow dance, dance of a rythym and blues
It's a slow dance, dance of a rythym and blues.Chris Rea & Jazzee Blue
