

Change of the Guard

Bobby Drake

If you listen, you can hear it
It's the laughter in the street
It's the motion in the music
And the fire beneath your feet
All the signs are right this time
You don't have to try so very hard
If you live in this world
You're feelin' the change of the guard
All you cowboys and your neighbors
Can you swallow up your pride?
Take your guns off, if you're willin'

And you know we're on your side
If you wanna get thru' the years
It's high time you played your card
If you live in this world
You're feelin' the change of the guard
If you wanna get thru' the years
It's high time you played your card
If you live in this world
You're feelin' the change of the guard
