Beautiful

Fun Lovin' Criminals

You took my hand and you were my friend
And you made it beautiful
You stayed with me and you made me see
That I could make it beautiful tooAnd I can't remember that late September
But I remember beautiful
I do recall, standing' tall
'Cause I remember beautifulAnd all the chat you hear from that
You gotta lay it out to dry
When, what you feel is real
You got to lay it on the lineYou took my hand and you were my friend
And you made it beautiful
You stayed with me and you made me see
That I could make it beautiful tooThat you and I just can't see eye to eye
But we make it beautiful
You always choke from smokin' dope
But we make it beautifulAnd all the chat I hear from that
I'm gonna lay it out to dry
When, what you feel is real
You got to lay it on the lineYou took my hand and you were my friend
And you made it beautiful
You stayed with me and you made me see
That I could make it beautiful tooTime has traced its lines on your face
But I think you're beautiful
And I want no other to be my baby's mother
'Cause all I see is beautifulYes I remember
Yeah I remember
I do remember beautiful
I do remember
I do remember
Yeah I remember beautifulYes I remember
Yeah I remember
Yeah I remember beautiful
Yes I remember
Yeah I remember
Yes I remember beautifulYeah you're beautiful
Yeah you're beautiful
Yes you're beautiful
Yeah you're beautiful
Yeah you're beautiful

Yes you're beautifulYeah you're beautiful
Yeah you're beautiful
Yeah you're beautiful
Yes you're beautiful
Yeah you're beautiful
Yeah you're beautifulYes you're beautiful
Yeah you're beautiful
Yeah you're beautiful
You're beautiful
Yeah you're beautiful
Yes you're beautiful
