

Joyride

Atomic Opera

Joyride...
Right now i am broken
That is for sure
Some days are not quite as focused
I only know that i don't knowJoyride
When i am in the right groove
Joyride
It's all that i can doSome days are the last days
Some days are the first
Some people die for hunger
Some people live for thirstJoyride
When i am in the right groove
Joyride
It's all that i can do
(repeat)Right now i am broken
That is for sure
If you really want to know how i feel...Joyride
When i am in the right groove
Joyride
It's all that i can do
(repeat)
