The Ethno-Surge

Comecon

Nature
Splatter
Kinship
MatingI am the speaker
I am nothing but the speaker
I follow my kin
Logic kills by purity
This is the truth
As reduced to pecking order
Who's my neighbor
Cleanliness is in demandForce in an easterly defection now
Mating little despot's machinations
Cause for unnatural selection
Otherness oblation nowArbitrator
As we distribute our logic
I lead my kin
Ethno-surgery requires
An equal pound
From the rotting flesh of nations
Who's Your neighbor
Now become what I have been
