

Angel

Cassandra Wilson

Gotta find me an angel
To fly away with me
Gotta find me an angel
Who set me free
'Cause my heart is without a home
I don't wanna be alone
Gotta find me an angel
In my life
In my life Too long have I loved
So unattached within
So much that I learn
That I need somebody so
So I'll just go on
Hoping that I'll find, find me someone Gotta find me an angel in my life, in my life I know there must be
someone, somewhere for me
'Cause I've lived too long without the love of someone
And there's no misery, like the misery I feel in me Gotta find me an angel in my life
In my life
Gotta find, gotta find me an angel
Gotta find me an angel
Gotta find, gotta find me, got to find me Gotta find, find me Gotta find me an angel
Gotta find me an angel
Got to find me an angel
In my life
Got to find me an angel, angel
In my life
In my life
In my life
