

Demagogue (Remix)

Urban Dance Squad

I kick the music so hard
People get injuries
Step to me, be a big stitch mc
Lyrics I chop, kick skills like jacky chan
Many props, loot, gladly pay the tax man
Flex plans, leave bodybags full o' men
Kick a tune like a can
Scratch heads with stray cat
I'm steady shapin' on these apes
Plus the squad took some time off, with the wild funk
So what ?
You figure, you bigger when you fill the void
I got the stacks to check yo head
Like the beastly boys
I heard your airplay 'n tracks,
Bullshit 'n flack, men on stage,
Pamper trainers lacked,
Droppin' voodoo on doo doo
I'm mad defiant cuttin' armchairs with knives
Airplay keep tryin', foolin' the flock,
What up ?, I'm straight up sleepin' skeletons
With microphones, who's grimreapin' It's the demagogue
It's the demagogue
Hear the demagogue, funky demagogue
Look and learn with the demagogue Six six six clone take a pick,
Snail bits, fail as dish
I eat galactic, poltergeist plus heist,
Plus I rip shit
Weak minds say rhymes combined with crucifix
Chairs go up, hair go up, fleas fall over
Ego puffed ?, watch me go off !
Doper with flair, deliver trauma 'n nightmare
You duck with hunchback as I punch back
With rap bat dust
'N bust off antique metaphore
Jurassic park raw, I'm carnivore,
You omnivore, I flow fat on tracks,
Like kids called fat joe
Lyrics on diet, when you tried on wax so bogus

I focus, play hocus-pocus,
Yo homes, I plague domes like locust,
Mc's cup ear, better hear some authority
Lyrical gestapo, introducin' tha majority Wanna see a joke, check a look-a-like
Wanna see a joke, check a look-a-like
Wanna see a joke, check a look-a-like
