

Silver Lining

Kacey Musgraves

Woke up on the wrong side of rock bottom
Throw a lot of pennies in a well
That done run dry
Light up and smoke 'em if you have 'em
But you just ain't got 'em
Yeah ain't we always looking For a bluer sky?
If you're ever gonna find a silver lining
It's gotta be a cloudy day
It's gotta be a cloudy day
If you wanna fill your bottle up with lightning
You're gonna have to stand in the rain
You're gonna have to stand in the rain
Hoo hoo hoooo
Hoo hoo hoooo
Hoo hoo hoooo
Hoo
Lemonade keeps turning into lemons
if you wear your heart on a ripped unravelled sleeve
Been run through the wringer And pushed on to your limit
Say you're just unlucky But luck ain't what you need
'Cause if you're ever gonna find four leaf clover
You gotta get a little dirt on your hands
You gotta get a little dirt on your hands
And if you wanna find a head that fits your shoulder
You're gonna have to go to the dance
You're gonna have to go to the dance
And If you wanna find the honey
You can't be scared of the bees
And if you wanna see the forest
You're gonna have to look past trees
If you're ever gonna find a silver lining
It's gotta be a cloudy day
It's gotta be a cloudy day
Am If you wanna fill your bottle up with lightning
You're gonna have to stand in the rain
You're gonna have to stand in the rain
Hoo hoo hoooo
Hoo hoo hoooo
Hoo hoo hoooo

Hoo
Hoo hoo hoooo
Hoo, hoo, hooo
Hoo, hoo, hoo
