

# Golden

[ruth b.](#)

The fire used to burn, all the words used to hurt  
But you're not like us, you are different  
I couldn't see that that was a compliment  
'Cause the last thing I want now is to be you  
And the flames don't feel as hot as they use to  
Burn, burn, burn  
They used to yell  
You thought I was coal  
My friend, I'm gold  
Can't you tell?  
Burn, burn, burn  
They used to yell  
You thought I was coal  
My friend, I'm gold  
Can't you tell?'Cause I'm not weak, I'm not broken I am bold  
And the fire you put me through turned me into gold  
I'm not done, I'm no loser  
Watch me take on my bright future  
Tonight I'm no bronze I'm no silver  
You'll be thinking, damn I knew her  
But you didn't  
Don't get it twisted  
Out of the ashes you buried me in  
I, I am golden  
I, I am golden  
You tried so hard to break me down  
Like a fire-breathing dragon, but I guess I took your crown  
You pushed for me to change for you  
But I'm so glad that I stayed true to who I am  
Burn, burn, burn  
They used to yell  
You thought I was coal  
My friend, I'm gold  
Can't you tell?  
Burn, burn, burn  
They used to yell  
You thought I was coal  
My friend, I'm gold  
Can't you tell?'Cause I'm not weak, I'm not broken, I am bold  
And the fire you put me through turned me into gold  
I'm not done, I'm no loser  
Watch me take on my bright future  
Tonight I'm no bronze I'm no silver  
You'll be thinking, damn I knew her  
But you didn't

Don't get it twisted  
Out of the ashes you buried me in  
I, I am golden  
I, I am golden  
The fire that you tried to burn me with, it made me who I am  
All the things that you said I couldn't do  
Guess what, yes I can  
The fire that you tried to burn me with, it made me who I am  
All the things that you said I couldn't do  
Guess what, Yes I can  
'Cause I'm not weak, I'm not broken I am bold  
And the fire you put me through turned me into gold  
I'm not done, I'm no loser  
Watch me take on my bright future  
Tonight I'm no bronze I'm no silver  
You'll be thinking damn I knew her  
But you didn't  
Don't get it twisted  
Out of the ashes you buried me in  
I, I am golden  
I, I am golden, golden, gold  
I, I am golden, golden, golden
