Autumn Cannibalist

Die Mannequin

I don't know what I want
I don't know where I stand
Between another man
I know but how 'bout you
I don't know what I wantSo baby believe me
Do you want to go?
No, no doll, I know
But how 'bout you?Too bad darling now it's done
I'm dragging you down
Take it all night, baby
We tried for so long, now it's doneI'm dragging you down
I don't know where I stand
Now how 'bout you?I don't know what I want
I don't know where I stand
Between another man
Don't know now, how 'bout you
I don't know what I wantSo baby believe me
Do you want to know?
No, no doll, I know now
How 'bout you?I know but how 'bout youWhen I'm lying next to you
I'm fucking dead with you
I know but how 'bout you
Too bad, darling now it's goneI'm dragging you down
Take it all night baby
We tried so hard now it's done
I'm dragging you downTake it home, good night baby
We tried for so long now it's gone
I'm dragging you downTake it all night baby
We tried so love now it's done
I'm dragging you downI don't know where I stand
Now how bout you?
I know but how 'bout you?
I know but how 'bout you?
