## **Autumn Cannibalist**

## **Die Mannequin**

I don't know what I want

I don't know where I stand

Between another man

I know but how 'bout you

I don't know what I wantSo baby believe me

Do you want to go?

No, no doll, I know

But how 'bout you? Too bad darling now it's done

I'm dragging you down

Take it all night, baby

We tried for so long, now it's doneI'm dragging you down

I don't know where I stand

Now how 'bout you?I don't know what I want

I don't know where I stand

Between another man

Don't know now, how 'bout you

I don't know what I wantSo baby believe me

Do you want to know?

No, no doll, I know now

How 'bout you?I know but how 'bout youWhen I'm lying next to you

I'm fucking dead with you

I know but how 'bout you

Too bad, darling now it's goneI'm dragging you down

Take it all night baby

We tried so hard now it's done

I'm dragging you downTake it home, good night baby

We tried for so long now it's gone

I'm dragging you downTake it all night baby

We tried so love now it's done

I'm dragging you downI don't know where I stand

Now how bout you?

I know but how 'bout you?

I know but how 'bout you?
