

# If You Don't Wanna Love Me

Tamar

I stopped by to see you just the other day  
And I wanna say that I finally realized  
The words I love you don't mean a thing  
It's so hard for me to see  
Because you meant everything to me  
But I guess I gotta move on  
Even though it hurts I gotta be strong  
If you don't wanna love me, don't love me  
Don't wanna touch me, don't touch me  
'Cause I don't want you to do anything  
That you don't want to do  
And if you don't wanna miss me, don't miss me  
Don't wanna kiss me, don't kiss me  
'Cause I don't want you to do anything  
That you don't wanna do, no  
Who would've known that on  
The nights that you were hanging late  
All alone I'd lay awake in our bed?  
Someone else was putting food on your plate  
I refuse to believe that you never ever loved me  
I've gotta move on, our love is gone  
And this house is not a home  
If you don't wanna love me, don't love me  
Don't wanna touch me, don't touch me  
'Cause I don't want you to do anything  
That you don't want to do  
And if you don't wanna miss me, don't miss me  
Don't wanna kiss me, don't kiss me  
'Cause I don't want you to do anything  
That you don't wanna do no  
You can be lonely, I don't really care  
But didn't have to make me think  
That you would be right here  
You said that you would be there, so if you don't  
If you don't wanna love me, don't love me  
Don't wanna touch me, don't touch me  
'Cause I don't want you to do anything  
That you don't wanna do  
And if you don't wanna miss me, don't miss me

Don't wanna kiss me, don't kiss me  
'Cause I don't want you to do anything  
That you don't wanna do  
If you don't wanna love me, don't love me  
Don't wanna touch me, don't touch me  
'Cause I don't want you to do anything  
That you don't wanna do  
And if you don't wanna miss me, don't miss me  
Don't wanna kiss me, don't kiss me  
'Cause I don't want you to do anything  
That you don't wanna do  
If you don't wanna love me, don't love me  
Don't wanna touch me, don't touch me  
'Cause I don't want you to do anything  
That you don't wanna do  
And if you don't wanna miss me, don't miss me  
Don't wanna kiss me, don't kiss me  
'Cause I don't want you to do anything  
That you don't wanna do
