Nobody Know

Lil Durk

You want me to know
Know I'm not perfect and I deserve it, took it personal
You scream my name in the middle of space like Durkio
I got a story got a movie but nobody know
Believe me I'm real believe I'm trill for real, you should know
Nobody know nobody know, nobody know
Nobody know nobody know, nobody know
Ooh ooh ooh
Nobody know
Ooh ooh ooh
Young nigga I had a curfew
What you don't know won't hurt you
You told police I hurt you
Like fuck that bitch who birth you
Y'all had me at my lowest
I love my brothers who snaked me but I don't wanna show it
Can't fuck with you I'm honest
Locked in that cell my first son I ain't get to see him potty
I'm off them drugs when I get mad I say I'm goin' Scottie
Take off them Gucci's in the trenches I wear Foamposites
Louis V's and ballin' money, I drop big deposits
I drop big deposits, I like my hoe exotic
My gun get molestic they bound to catch a body
My homie got bodied I keep their mommas happy
My kids they goin' to college, I sold dope yeah just said this
I like her homie (mhm), I'm healthy (mhm), I'm wealthy (mhm)
Gym filthy
Niggas, don't get it
Niggas, ain't with it
Bitches want attention, I told 'em they can't get it
You want me to know
Know I'm not perfect and I deserve it, took it personal
You scream my name in the middle of space like Durkio
I got a story got a movie but nobody know
Believe me I'm real believe I'm trill for real, you should know
Nobody know nobody know, nobody know
Nobody know nobody know, nobody know
Ooh ooh ooh
Nobody know

Ooh ooh oohThey ain't luh you like I luh you
You told me you ain't trust 'em
And you only believe in me told you they say fuck you
Look what they did to the muscle, this BBB gon' touch you
Gettin' the pussy for free how you know I'ma tussle
You my brother for life
Man that shit don't sit right with me
Niggas say they gon' ride with me
When you died I was on yo' side
Momma, I need you
Your son, he needs you
Your son is evil, they think they equal
These niggas don't' get it
Gotta ride around my city
Can't let them get me, ridin' around with my 50
Couple of percs got me dizzy
Grandma gone got one at the top
Keep niggas in my business, ain't no rules in the trenchesjust be annoyin' fool
If you can't be, ay if you can't be yourself and make your own decisions fuck you man I'm coolYou want me to know
Know I'm not perfect and I deserve it, took it personal
You scream my name in the middle of space like Durkio
I got a story got a movie but nobody know
Believe me I'm real believe I'm trill for real, you should know
Nobody know nobody know, nobody know
Nobody know nobody know, nobody know
Ooh ooh ooh
Nobody know
Ooh ooh ooh
