

# Congregation of the Damned

## Atreyu

I'm gonna give this monster life  
I may not have the pieces  
I'll keep on going through the night  
To see you all left screaming Face to face  
The congregation of the damned  
Face to face  
Screaming while we can I get carried away, lost in a moment  
Torn into pieces of violent display  
I tear it away, lost in a moment  
Searching for answers, I'm lost in the fray This life's a case of do or die  
Sometimes I need no reason  
To lose myself in you tonight  
Right now's the darker season Face to face  
The congregation of the damned  
Face to face  
Screaming while we can I get carried away, lost in a moment  
Torn into pieces of violent display  
I tear it away, lost in a moment  
Searching for answers, I'm lost in the fray The congregation of the damned  
The congregation of the damned Face to face  
The congregation of the damned  
Face to face  
We're all screaming while we can I get carried away, lost in a moment  
Torn into pieces of violent display  
I tear it away, lost in a moment  
Searching for answers, I'm lost in the fray I tear it away, lost in a moment  
Searching for answers, I'm lost in the fray  
I get carried away, lost in a moment  
Torn into pieces of violent display  
I tear it away, lost in a moment  
Searching for answers, I'm lost in the fray
