

Roulette!

Electric Six

Every time I look into your eyes
It's roulette, it's roulette, it's roulette
Every time I connect all your wires
Disconnect, disconnect, disconnect In a game with terrible odds
And with no help from your terrible guards
I'm building my own casino
I'm gonna take it all away I guess this 'aint my day
I should've walked away
I should've walked away
Every time I look into your eyes
It's roulette, it's roulette, it's roulette
Every time I connect all your wires
Disconnect, disconnect, disconnect Lady Luck in a sequined dress
Where it lands is anyone's guess
All of those words I wish I could take back
All the times spent on red, when I should've bet on black (c'mon) I'm a slot machine,
Lemme tell you what I mean.
I'm a slot machine,
Lemme tell you what I mean. I'm a slot machine,
I'm gonna tell you what I mean
I take all your money and I,
I turn you green (c'mon) I wanna lick the screen.
Every time I look into your eyes
It's roulette, it's roulette, it's roulette
Every time I connect all your wires
Disconnect, disconnect, disconnect It's roulette, it's roulette, it's roulette
It's roulette, it's roulette, it's roulette
