

# Sooner Or Later

## Switchfoot

Come back and haunt me, follow me home  
Give me a motive, swallow me whole  
They say I've lost it  
What could I know when I'm but a mockery?  
I'm so alone Sooner or later  
You'll find out there's a hole in the wall  
Sooner or later  
You'll find out there's a hole in the wall Today is ours, condemned to be free  
Free to keep breathing, free to believe  
I look to find You, down on my knees  
Oh, God, I believe, please help me believe Sooner or later  
They'll find out there's a hole in the wall  
Sooner or later  
You'll find out that you'll dream to be that small I'm a believer, help me believe  
I'm a believer, help me believe I gave it all away and I lost who I am  
I threw it all away with everything to gain  
And I'm taking the leap with dreams of shrinking  
Dreams of shrinking, dreams of shrinking  
Dreams of shrinking Come back and haunt me, follow me home  
Give me a motive, swallow me whole Sooner or later  
Sooner or later  
Sooner or later
