

# Is It Now

Moya Brennan

I'm dreaming  
I'm seeing  
I'm believing  
Run in warm gentle breeze  
Games around the willow tree  
Watching innocent hearts everywhere  
White swans and dragonflies  
Rippling waters go by  
Dreaming of love everywhere  
Is it now that I'm dreaming?  
Is it now that I'm believing?  
Raindrops and rainbows agree  
Chasing streams along the lee  
Watching innocent hearts everywhere  
Breathless autumn trees  
Climbing high just to feel free  
Dreaming of love everywhere  
I'm dreaming  
I'm seeing  
I'm believing  
Is it now that I'm dreaming  
Of a distant kind of day?  
Is it now that I'm seeing  
The clouds drifting away?
