crystal mic(KAITO Eng Ver.) (feat. KAITO)

HzEdge(crystal P)

ooh how beautiful your slime is*
you were always next to me
sun sets shines brightly through grounds
but your smile has gone away
because i made a big mistake

the town we live keeps moving on yes i know*
sweet memories never gave away
but i will keep chasing after you*

i will be here for you, forever
take my hand, i won't let you go
so smile brightly again*
if you lonely at night*
lets be together again, just the two of us, so just understand*
the poem i'm just singing
we all have a dream

* these lines (and possibly more) are not the true lines, but they are as lose as i can get right now
