

Lafaye (Man Without Country remix)

School of Seven Bells

You broke into the fabric house of stranger Lafaye
And there your heart was taken from you
You have the blood of intuition
With a name that branded you
And the familiar, unfamiliar
Would be the only thing you knew Lafaye, la laa, Lafaye
Lafaye, la laa, Lafaye Your birth became a place to sing and relive again
And every death a love to choose
A one to lose
You are a chain of indecision
Into a cloud that followed you
And with a with no measure
You brought a sun to guide you through Lafaye, la laa, Lafaye
Lafaye, la laa, Lafaye Oh Lafaye, la laa, Lafaye
Lafaye, la laa, Lafaye
