

Venus

Bananarama

Goddess on the mountain top
Burning like a silver flame
The summit of beauty and love
And Venus was her nameShe's got it
Yeah, baby, she's got it
I'm your Venus, I'm your fire
At your desire
Well, I'm your Venus, I'm your fire
At your desireHer weapons were her crystal eyes
Making every man mad
Black as the dark night she was
Got what no-one else had
Wa!She's got it
Yeah, baby, she's got it
I'm your Venus, I'm your fire
At your desire
Well, I'm your Venus, I'm your fire
At your desireGoddess on the mountain top
Burning like a silver flame
The summit of beauty and love
And Venus was her nameShe's got it
Yeah, baby, she's got it
I'm your Venus, I'm your fire
At your desire
Well, I'm your Venus, I'm your fire
At your desire
