Next 2 You

Buckcherry

Come to you honey on the east side runnin'
And I ain't got time to waste
Jump into the car in the back seat lovin'
But you keep me on the chase
I've been trying all night long
I put up with your favorite songs all night
Tempted by your tained love
I surely like the way you come inside my crystal ball, what can I do?
Is it true what they say, you won't give it away
And I don't know what to do to get next 2 you, next 2 you
Every night every day you just push me away
Tell me what should I do to get next 2 you, next 2 you
I've been trying all night long
And I want to get next 2 you
I wrote about you baby in this song
'Cause I want to get next 2 you, next 2 you
Better than Kool-Aid sweet my buttercup
Baby's got a pretty face
I got to have it,it's another bad habit
And I hope I'm not here to late
I've been trying all night long
I put up with your favorite songs all night
Tempted by your tained love
I surely like the way you come inside my crystal ball, what can I do?
Is it true what they say, you won't give it away
And I don't know what to do to get next 2 you, next 2 you
Every night every day you just push me away
Tell me what should I do to get next 2 you, next 2 you
I've been trying all night long
'Cause I want to get next 2 you
I wrote about you baby in this song
And I want to get next 2 you, next 2 you, next 2 you, come on
Spent my money, teasing me honey
What should I do
When you gonna show me? I think you owe me
Come on baby, see it through
Next 2 you
Next 2 you
Next 2 you

Is it true what they say, you won't give it away
And I don't know what to do to get next 2 you, next 2 you
Every night every day you just push me away
Tell me what should I do, what should I do, what should I do
To get next 2 you, next 2 you, next 2 you
I've been trying all night long
'Cause I gotta get next 2 you
