

Spit On Your Grave

Madball

All you wished was to block my goals
All you did was strengthen my soul
And what I wanted from you
I could not get
So dreading our deaths is how we
Choose to live You're the one who feeds my rage
You're to blame for endless pain It's in your nature to
Destroy my dreams
It's in my heart to
Damage my means
Because I feed off your fire
Day after day
It's you who I live for until I shit
On your grave Chorus So shall it be the last laugh on me ?
When you lay there to rot, I breathe Chorus
