

# A Far Cry

## Icon

In the dead of night  
On the wings of the wind  
I hear the ocean bell With a flash of light  
In the beat of the dark  
The sound I know so well I shall never forget you  
It's been so long  
I should never have left you  
The call so strong It's a far cry from the wild world  
I wanna get back to you  
Such a long road to the homeland  
I must make my way to a far cry From the chords of the earth  
To the depths of the sea I will return  
As I look to the hill through the eyes of the storm  
I touch the flame I shall never forget you  
It's been so long  
I should never have left you  
The call so strong It's a far cry from the wild world  
I wanna get back to you  
Such a long road to the homeland  
I must make my way to a far cry I shall never forget you  
It's been so long  
I should never have left you  
The call so strong It's a far cry from the wild world  
I wanna get back to you  
Such a long road to the homeland  
I must make my way it's a far cry It's such a far cry
