

# Blood Moon

## Lovelorn Dolls

We were asleep and felt so weak  
while in our dreams, a creature lived  
So we decide, to take it out  
Out of the grave to burn its heart  
The night is full of creatures in between  
While we run, a shape appears on the hills  
Blood moon red moon, sign of our own fall  
The sun is gone and leaving us alone  
Blood moon red moon, reason of our crawl  
Many of us may crash against the wall  
We don't know how, we don't know why  
They walk around, destroy our lifes  
So we decide to fight them back  
Avenge the widows and the poor orphans  
The night is full of creatures in between  
While we run, a shape appears on the hills  
Blood moon red moon, sign of our own fall  
The sun is gone and leaving us alone  
Blood moon red moon, reason of our crawl  
Many of us may crash against the wall  
may crash against the vampires, vampires, vampires, vampires, .....
