She Did That

Tamar Braxton

Put me behind the glass Call it me TV, when you see me with my bag Yeah her name Selene Oh you looking at my rock, that's my bitch, Tiffany Throw my hands up in the sky I'm just cooling, don't shoot me That's just me That's just me Spend it up and then repeat That's just me That's just meOhShe did that She did that She did that Yeah did it, turn up She did that She did that She did that Yeah did it, turn up She did that, did that Yeah did it, turn up She did that She did that She did that Yeah did it, turn up
