

# Kansas City

James Brown

Goin' to Kansas City, Kansas City here I come  
Goin' to Kansas City, Kansas City here I come  
They got some crazy little boxes there, I'm gonna get me one  
Look it here, I'll be standing on the corner of  
twelfth street and vine  
I'll be standing on the corner of twelfth street and vine  
With my Kansas City, baby, and a taste of [Incomprehensible] wine  
Well, I might take a train or I believe I'd  
drive a plane  
If I have to walk, I'm goin' there just the same  
Way down to Kansas City, Kansas City here I come  
They got some crazy little boxes there, I'm gonna get me one  
And if I have to stay with my baby, I believe I'm  
gonna die  
Gotta find a new woman and that's the reason why  
I'm gone, Kansas City here I come  
They got some crazy little boxes there, I'm gonna get me one  
Said that I'm goin', said that I'm there  
Can't save the pain, the heart can't bare the strain  
Said that I'm there, oh no, oh no, no no and no no, no
