

Fame

George Duke

Oh man
it's george duke
I...I've been a really big fan of yours for a long time
fame
oh yeah
hey hey
everybody knows your name
Got me a fancy car
brand new game
got a lawyer on your side
Hoping that wind won't change the tide oh
fame
fame
a wonderful thang
If you don't let it get you in the rain
fame
make you feel like a king
and life you will never be the same
fame
for some it's the degree
something they feel but never ever see
some are living on borrowed time, yeah
An most can't say the reasons ????
fame
A treasure to unfold
Hoping it will last, yeah
Until you're old
fame
It will last a little while
'Cuz there's always some young thang waiting to try
fame
yeah
In it's own sweet way
It's the price you'll pay
For the love you give
Busted!fame
fame
do you have top?
yes you do

come on baby
fame
fame
think about that
yeah
uhh
yeah
fame
same old thing
everything's alright
what we mean is all
fame
