Truth Hurts

He breaks me down, he builds me up
He fills my cup, I like it rough
We fuss, we brawl, we rise, we fall
He comes in late but it's okay He do, I do, he knows the rules
He takes care of home though he's not alone
I'm on his knee, he keeps me clean
And gives me things, he makes me scream He's so contagious, returns my pages
He's got me anxious, he's what I waited for
He keeps me guessin, spontaneous
He's so persuasive and I'm his lady Oh, tonight he's waitin and I ain't complainin
I'm entertainin my number one fan
My back is achin from our love makin
Oh, yes I'm takin, ain't no use in fakin My ups, my downs, my high and my lows
From head to toe he makes me glow
He hits the spot, he makes me hot
I'm all that he's got and he's all that I got Thinkin of a masterplan
You know anything you need, baby, ask your man
You was there from a half a grand
Now it's kelos to C notes and how fast your grands We ball like we own the world
Your only concern is you my only girl
And when we speakin in tongues
Breathin hard when I'm squeezin your lungs Keep it strong, but I gotta hit the streets when I'm done
It's joy and pain, when you try to get ahead of the game
It's fucked up but you never complain You just pray I don't get killed when I hit the hood
Just another hundred mill and I'm a quit for good
No more drug wars trips to jail and shootouts
Getting loot out for lawyers and bail will get you boot out Just me and you high off sex I'm twisted
You O G'd and you O D addicted He's so contagious, returns my pages
He's got me anxious, he's what I waited for
He keeps me guessin, spontaneous
He's so persuasive and I'm his lady
