

Pause

Pitbull

ItÂ’s a worldwide, no we know you canÂ’t come back,
No we know you canÂ’t come back,
Cause you look so right, cause you look so right x 2
Now come here, stop, drop it, pause
Now come here, stop, drop it, pause
Oh, look at that girl, sheÂ’s like ah
look at that girl, sheÂ’s like oh
look at that girl, sheÂ’s like ah
look at that girl, sheÂ’s like

Look, I got what you need to get you hooked
I steal all your heart IÂ’m a crook
One Friday night, IÂ’m sorry, IÂ’m booked
Brooke, Maria ...pause

Now come here, stop, drop it, pause
Now come here, stop, drop it, pause
Oh, look at that girl, sheÂ’s like ah
look at that girl, sheÂ’s like oh
look at that girl, sheÂ’s like ah
look at that girl, sheÂ’s like

Amiga would you like to play?
We love to see what you stay
And if you say ok, we will play night and day
IÂ’m such a dirty dawg, my teeth will unsnap your bra
But for now baby just pause

Now come here, stop, drop, pause
Now come here, stop, drop, pause
Oh, look at that girl, sheÂ’s like ah
look at that girl, sheÂ’s like oh
look at that girl, sheÂ’s like ah
look at that girl, sheÂ’s like

Mammy know what is sometime, mammy know what is sometime
She got what I like, what I like
Mammy know what is sometime, mammy know what is sometime
She got what I like, what I like
Mammy know what is sometime, mammy know what is sometime

She got what I like, what I like, pause

Now come here, stop, drop it, pause
Now come here, stop, drop it, pause
Oh, look at that girl, she's like ah
 look at that girl, she's like oh
 look at that girl, she's like ah
 look at that girl, she's like pause
