

# Perfect Hair

## Ultimate Fakebook

Perfect hair is all we really need  
We spend so much of our energies on recipes  
When life's success, it can be guaranteed  
With a modern style, you can go the mile it's perfect hair Perfect hair is all we really need  
We spend so much of our energies on recipes  
When life's success, it can be guaranteed  
With a modern style, you can go the mile it's perfect hair It's all we really need, yeah  
It's all we really need, yeah  
So don't you [Incomprehensible] now
