

Someday When Things Are Good

Merle Haggard

Someday when things are good, I'm gonna leave you
I can't seem to go when things are bad
I'll be one more love that you can dream about
And one more man that you can say you've had You'll always be the kind to dream of yesterday
And a way of life I never understood
And someday soon I'll be just one more memory
And you'll call my name when things are not so good Someday when things are good, I'm gonna leave you
I can't seem to go when things are bad
I'll be one more love that you can dream about
And one more man that you can say you've had
