

# Club Can't Handle Me

## Flo-Rida (feat David Guetta)

You know I know how  
To make 'em stop and stare as I zone out  
The club can't even handle me right now  
Watchin' you watchin' me, I go all out  
The club can't even handle me right now  
The club can't even handle me right now  
I own the night, and I don't need no help  
Gotta be the feeling that Scarface felt  
Stuntin', go wild can't handle this player  
Life of the club, arrogant like, yeah  
Top like money, so the girls just melt  
Want too many, all know me like Twelve  
Look like cash and they all just stare  
Bottles, models, standin' on chairs  
Fall out 'cause that's the business  
All out, it's so ridiculous  
Zone out so much attention  
Scream out, "I'm in the building"  
They watchin', I know this  
I'm rockin', I'm rolling  
I'm holding, I know it  
You know it  
You know I know how  
To make 'em stop and stare as I zone out  
The club can't even handle me right now  
Watchin' you watchin' me, I go all out  
The club can't even handle me right now  
The club can't even handle me right now  
Still feelin' myself, I'm like outta control  
Can't stop now, more shots, let's go  
Ten more rounds, can I get a K.O.?  
Paparazzi trying to make me pose  
Came to party 'til I came no more  
Celebrate 'cause that's all I know  
Tip the groupies takin' off their clothes  
Grand finale like Superbowl  
Go hard, run the show  
That's right, while I've got money to blow  
More lights, more ice when I walk in the door

No hype, do it big all over the globe  
I said it, go tell it  
Confetti, who ready?  
I'm ready, you ready  
Let's get it  
You know I know how  
To make 'em stop and stare as I zone out  
The club can't even handle me right now  
Watchin' you watchin' me, I go all out  
The club can't even handle me right now  
(Put your hands up)  
(Put your hands up)  
(Put your hands up)  
The club can't even handle me right now  
(Put your hands up)  
(Put your hands up)  
(Put your hands up)  
You got me watchin' now, got my attention now  
Got everybody in the club wanting to know now  
I am a ladies man, come be my lady and  
We can ball, so, ah  
Bring ya body here, let me switch up your atmosphere  
Take you up out of the club and up in my new limo  
Fly you all around the world  
What you want baby girl, are you ready to go now?  
You know I know how  
To make 'em stop and stare as I zone out  
The club can't even handle me right now  
Watchin' you watchin' me, I go all out  
The club can't even handle me right now  
(Put your hands up)  
(Put your hands up)  
(Put your hands up)  
The club can't even handle me right now  
(Put your hands up)  
(Let's celebrate now)  
(Put your hands up)  
(You know who shut it down)
