

One Big Family (Perfecto Mix) (Long Fade)

Embrace

Get ready for the judge in me
Its coming over
Get on your feet
All my goodness is all I got for you
Have I shown you lately
What my clan can do
I own your arse now
By rights yeah
We got family
We got family
So when I call you up get y'all in
We got family
We got family
So when I call you up get y'all in
