

Save Me

Wiktorija

Dear Old Mama I got news for you
got a steeltoe heart and a bad tattoo
Sorry mama I ain't been in touch
but I ran out of money gambled all my luck
Oh and mama thought that I'd been blessed
got to tell you about this boy I met
He had sweet blue eyes the kind you can't forget
set my soul on fire and then he left Save me
I can't get enough of you
Save me
I can tell you I've been blue
Save me
gonna hit the road tonight
before I lose my mind
Save me
I can't get enough of you
Save me
I can tell you I've been blue
Save me
gonna hit the road tonight
before I lose my mind Dear old mama now the time has come
emptied out my pockets and my hope is gone
Cause he took my heart and turned it inside out
so I pack my bags and I'm leaving town Save me
I can't get enough of you
Save me
I can tell you I've been blue
Save me
gonna hit the road tonight
before I lose my mind
Save me
I can't get enough of you
Save me
I can tell you I've been blue
Save me
gonna hit the road tonight
before I lose my mind Oooho
Oooho
Oooho Oh save me Oooho

Oooho

Oooho Oh save me Dear Old Mama I got news for you
got a steel toe heart and a bad tattoo
Sorry mama I ain't been in touch
but I ran out of money gambled all my luck Save me

Save me

Save me

Save me

Save me Ooo wow wow wow wow Save me

I can't get enough of you

Save me

I can tell you I've been blue

Save me

gonna hit the road tonight

before I lose my mind

before I lose my mind
