

# Oh Yeah

## Chuck Berry

In the 'Wee Wee Hours'  
I used to play 'Maybellene'  
Better days whizzed together  
Until someone came between I didn't lay 'No Money Down'  
So she caught a, 'Downbound Train'  
'Too Much Monkey Business'  
Running with a 'Brown Eyed Handsome Man' 'Roll Over Beethoven'  
Try to catch me if you can  
Sail on, 'Havana Moon'  
I have a 'Drifting Heart' again Oh, yeah Have the deep feeling  
My head is going 'Around And Around'  
No one would let me  
Oh, baby doll, can't be found 'Rock 'n' Roll Music'  
Slowly settling down  
'Sweet Little Sixteen'  
And you will soon be twenty one No more 'Reelin' And Rockin''  
Well, 'School Days' will be done  
Go, 'Johnny B. Goode'  
Play your guitar, have your fun Oh, yeah  
Oh, yeah  
Oh, yeah
