

Running Up That Hill

Placebo

It doesn't hurt me
You wanna feel, how it feels?
You wanna know, know that it doesn't hurt me?
You wanna hear about the deal I'm making
You, you and me And if I only could
Make a deal with God
And get Him to swap our places Be running up that road
Be running up that hill
Be running up that building
If I only could You don't wanna hurt me
But see how deep the bullet lies
Unaware that I'm tearing you asunder
And there's a thunder in our hearts, baby There's so much hate for the ones we love?
Tell me, we both matter, don't we?
You, you and me
You and me, won't be unhappy If I only could
Make a deal with God
And get Him to swap our places Be running up that road
Be running up that hill
Be running up that building
If I only could Come on, baby, come on, come on, darling
Let me steal this moment from you now
Come on, angel, come on, come on, darling
Let's exchange the experience And if I only could
Make a deal with God
And get Him to swap our places Be running up that road
Be running up that hill
With no problems And if I only could
Make a deal with God
And get Him to swap our places Be running up that road
Be running up that hill
With no problems If I only could
Be running up that hill
If I only could
Be running up that hill If I only could
Be running up that hill
If I only could
Be running up that hill If I only could
Be running up that hill

If I only could
Be running up that hillIf I only could
Be running up that hill
