## I Don't Think She's In Love Anymore

## **Charley Pride**

Well, I came in late again last night

Really, it was this morning

I had my alibi down pat

I was gonna be charmingBut the locks were all changed

I was stuck outside

With a key that no longer fit

There was a note on the door

That said, adios, sayonara

Goodbye, this is it I don't think she's in love anymore

She's hanging up her telephone

And locking her door

I don't think she wants to

Hear anymore of my lyingI don't think she's in love anymore

She's not buying my lies like before

The only thing she wants

Out of me now is goodbyeSo I went down to a phone booth

Almost down to crying

All ready to spill the truth

I see she's tired of my lyingWell, I was all ready to beg and plead

And to turn over a brand new leaf

But the second she heard

It was me on the line

I heard click, she hung up on meI don't think she's in love anymore

She's hanging up her telephone

And locking her door

I don't think she wants to

Hear anymore of my lyingI don't think she's in love anymore

She's not buying my lies like before

The only thing she wants

Out of me now is goodbyeI don't think she's in love anymore

She's hanging up her telephone

And locking the door

I don't think she wants to

Hear anymore of my

Oh, yeah, yeah, yeahI don't think she's in love anymore

She's not buying my lies like before

The only thing she wants

Out of me now is goodbye
