

Mercy

James Ingram

my tears are dry
dry tears so full of sorrows
Troubled am I - hoping You'll see tomorrow
save this heart and soul- Save this soul

I hear a sound
beyond the distance crying
Black winds blow cold
where dreams are dying
Jesus won't you pleaseeeeeeeee

(have mercy-have mercy on me)
and I Know I'm so weak so weak and your strong
(Jesus)
take him by the hand and lead him on
(have mercy-have mercy on me)
Have mercy-have mercy. Oh

I speak Your name
Oh Lord please hear me callin
He's lost his way- help him to keep from falling
Tell me that you will - i know you will

Praise be Thy name
oh Lord a God of mercy
help ease my pain
wash all these sins away
Jesus won't you please

(have mercy-have mercy on me)
have mercy on me-
(Jesus)
help him climb to the mountaintop
(Jesus)
Bring my baby home he's all I got
(Jesus)
send away all my stumbling blocks
hey-hey
(have mercy-have mercy on me)
have mercy on me Jesus

(Jesus)
forgive my son for all the wrong he's done
(Jesus)
on my Knees I'm begginâ€™ you please
(Jesus)

Oh let the winds let the trumpet sound
Let the little lamb be found
(Jesus-Jesus-Jesus)

Jesus
have mercy
do oh Lordy
who do I lean on
have mercy
