

Away We Go

Promise of Redemption

And away we go
And away we go
And away we go
And away we go Holding on to broken hearts
Memories are what's left of us
You're trying to hard to be my friend And I'm placing all our pictures
In these broken frames
To remind me to never fall in love again I'm sorry, won't cut it for the rest of your life
Get over yourself and say goodbye
Hope you realize you threw away
The best thing that ever happened to you Forget my name and forget my face
Hope you hit your head and your memory gets erased
So I never have to deal with you again And away we go
And away we go
And away we go
And away we go And you're falling faster than a shooting star
That you wished your own body on
So wake up to the sound of the radio
Crashing through your window
Through your window, through your window I'm sorry, won't cut it for the rest of your life
Get over yourself and say goodbye
I hope you realize you threw away
The best thing that ever happened to you Forget my name, forget my face
Hit your head and your memory gets erased
So I never have to deal with you again
Again, again And away we go
Away we go
Away we go
Away we go, we go I'm sorry, won't cut it for the rest of your life
Get over yourself and say goodbye
I hope you realize you threw away
The best thing that ever happened to you Forget my name and forget my face
Hope you hit your head and your memory gets erased
So I never have to deal with you again, again
