Simple Human

Fates Warning

Stand right there man
I can see right through you
Make me understand
The mind within your headYeah, I am a simple human like you
Yeah, I am a simple human tooSpeak what's on your mind
A simple thought, a reason
Some self-righteous blind
Deconstructive thinkingI wanna rip it away
I wanna tear it down
Don't be afraid
You can't feel anythingYeah, I am a simple human like you
Yeah, I am a simple human tooWe're all caught
It's like a giant tangled web
We're all trapped going nowhereNow you know, now you know
Now you know, now you knowYeah, I am a simple human like you
Yeah, I am a simple human tooYeah, I am a simple human like you
Yeah, I am a stupid human too
