

Simple Human

Fates Warning

Stand right there man
I can see right through you
Make me understand
The mind within your head Yeah, I am a simple human like you
Yeah, I am a simple human too Speak what's on your mind
A simple thought, a reason
Some self-righteous blind
Deconstructive thinking I wanna rip it away
I wanna tear it down
Don't be afraid
You can't feel anything Yeah, I am a simple human like you
Yeah, I am a simple human too We're all caught
It's like a giant tangled web
We're all trapped going nowhere Now you know, now you know
Now you know, now you know Yeah, I am a simple human like you
Yeah, I am a simple human too Yeah, I am a simple human like you
Yeah, I am a stupid human too
