Do It

Baby D

Snap ya fingers
Snap ya fingers
Snap ya fingers
Snap ya fingersAnd if u don't know how then watch her do it
Do It [x13]
And if u don't know how then watch her do it
Do It [x13]Now wiggle ya waist
That's right girl go whip that cake
In other words make ya ass shake
First ya bounce then ya lean then snap ya fingers
Ya hips ya thigh ya whole demeanor
Sexy lips like Trina
And a walk like Tyra
Peep this, what ya doing lata on tomorrow
Can we do it, do it, do it, do it, do it
I seen ya on da dance floor gettin it like Huey
Damn lil mama slow down
But u can't stop 'cause ya too da crunk now
I see ya throwin da hood and she jutted to da ground
We gone off patron and here come another round
So turn around andDo It [x13]
And if u don't know how then watch her do it
Do It [x13]
And if u don't know how then watch her do itCan u move ya body like a vibrator
Wiggle ya big brown ass like a jaw breaker
See like Buffy u were lucky to have a back like that
See like my razor phone ma stomach flat like that
A lil cute six-pack
Around her navel is a tat
A lotta hatas in da back
'cause stilettoes got her stacked up
Watch her do a dance and ya see how they back up
And if u dont know how then watch her Act Up
Pull up on ya like namel doors on a lac truck
Break it down turn around for a couple stacks what
Ay come on shawty lemme see ya thong
Ya tryna do it like me but u all wrong
Now watch meDo It [x13]
And if u don't know how then watch her do it

Do It [x13]
And if u don't know how then watch her do itA bounce stop then lean
Now snap ya fingers
A bounce stop then lean
Now snap ya fingers
A bounce stop then leanIf u don't know how then watch her do it
Now snap ya fingers
