

Galileo

We Are the Storm

Tonight the sky
Turned inside out
Stars and orbs
Became suns and moons
And shone for us

No planes
No cars
Will run us down
Hey!
No mountains
No seas
Will slow us down
Hey!

Like fireworks
It shone in colors and shapes Weâ€™d never seen
Like Times Square
It shone in colors and shapes Weâ€™d never ever seen

But hey!
Theyâ€™re pictures
Theyâ€™re words
Theyâ€™re places
A code!
A story I know!
A story I know!

No planes
No cars
Will run us down
Hey!
No mountains
No seas
Will slow us down
Hey!
I know weâ€™ll be fine
With the sky on our side
Hey!
