If I Had a Tail

Queens of the Stone Age

Gitchy, gitchy
Ooh la la
Da doo ron ron
You won't get farI'm machine
I'm obsolete
In the land of the free
LobotomyI wanna suck, I wanna lick
I want to cry and I want to spit
Tears of pleasure
Tears of pain
They trickle down your face the sameIt's how you look
Not how you feel
A city of glass
With no heartIf I had a tail
I'd own the night
If I had a tail
I'd swat the fliesYeah, oh oh, oh oh, oh oh
Yeah, oh oh, oh oh, oh ohGitchy, gitchy
Ooh la la
Da doo ron ron
It won't get farAnimals in
The midnight zone
When you own the world
You're always homeGet your hands dirty
Roll up them sleeves
Brainwashed or true believers?
Buy flash cars
Diamond rings
Expensive holes to bury thingsI'm machine
I'm obsolete
In the land of the free
ImmortalityIf I had a tail
I'd own the place
If I had a tail
I'd swat the fliesOh-oh-oh, oh oh, oh oh, oh oh
Oh-oh-oh, oh oh, oh oh, oh ohSee me dancing on the stars
See me danceIf I have a tail
I will control the night
If I have a tail

I will control the night
If I have a tail
I will control the night
